03 · WHY THE UAE, WHY NOW

PERFECT TIMING

UAE clubs look for players for the second half of the season. The showcase runs as their January window opens.

01

The window is open

The UAE transfer window opens on 6 January, day two of the showcase, and runs to 8 February. Clubs can sign you while you're here.

02

Every division invited

From the UAE Pro League down to the Third Division, plus agents and player representatives.

03

Room to stay on

UK players can stay up to 90 days on a free visa on arrival, so you're here for trials after the event.

04

A move that changes things

A UAE contract can come with accommodation and living costs covered, depending on the club.

No player is guaranteed a contract. The showcase gives you the stage; what you do on it is up to you.

04 · THE FORMAT

HOW THE SHOWCASE RUNS

Four squads of 15, coached all week. Every squad plays the other three, then the top two meet in the showcase final and the other two play off for third. Every game is filmed.
